1962 RESUME

PUBLISHED BY
SENIOR CLASS

ARMSTRONG TWP. HIGH SCHOOL

Armstrong, Illinois

FOREWORD

All of us on the Annual Staff hope that this yearbook will be a source of enjoyment and fond reminiscence to you in the future. We also hope that through this book you will be able to maintain many of the friends you have had here at Armstrong Township High School.

With these objectives in mind we present to you the Resume, 1962.

Lorene Hesterberg, Editor-in-Chief

Mr. Sims, Adviser

Richard Poyner, Business Manager

DEDICATION

To you, Mr. and Mrs. Knudson, the 1962 students of Armstrong High School wish to express their appreciation and gratitude for your friendship that you so willingly have shared with us.

Sharing your friendship is only a small part of the many things you have done in your three years as teachers here in this school. You have given to us assistance and guidance. But most of all, the two of you have given to most of us the opportunity of having you as our teachers.

Even though sorrows and joys have passed your way while you have been teachers at Armstrong, we hope you will never forget this school.

We, the Senior Class, will always remember you as our friends and counselors.

OUR PRINCIPAL

The Senior Class of 1962 is gratefully indebted to you, Mr. Husted. You have helped us to know the value of an education; and you have helped us to search ourselves for the achievements expected from us in life. Expressing our gratefulness to you can only be done by saying, "Thank you for your patience and understanding with us during our four years as your students."

BACK ROW, Left to Right: Otto Divan, Paul Ludwig, George Johnson, Glen Reynolds, Joe Cler.
FRONT ROW: Ansel Dewey, President; Mr. Husted, Administrator; and Keith Blackford, Secretary.

CLASS HISTORY

Our first few days at Armstrong High School were spent in bewildered anticipation. We struggled through initiation and all of the other trials of a freshman. The following year we returned a more confident and encouraged group. That year we sponsored the Christmas party and took a more active part in school life. During our Junior year, we were for the most part, occupied by activities concerning our magazine sales campaign, our class play, and the Junior Prom. Our prom theme was "Stardust" and although it was a lot of work, it was a tremendous success. This year, as Seniors, we have been kept busy by the numerous school activities. Senior Class members have taken an active part in sports, musical productions, annual staff, and almost all other school activities. We feel that our Senior year is a good example of the successful four years we have had here at dear old ATHS.

5

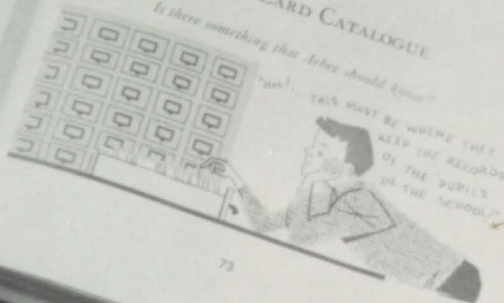

"Remember yesterday," asked Bill, "when you were trying to tell me Babe Ruth was once a pitcher? I have to admit it, but you were right. We could have searched it yesterday if we'd gone to the library."

"Maybe you could have proved something there," replied Tom. "I'm ashamed to have to admit that the only thing I've been able to find in the library so far is my way out."

Perhaps you, like Tom, have some very vague ideas about libraries. If you have, this chapter may surprise you. Not only is the library a place of recreation where you can read for enjoyment; it is also a place of work where you can read for information. You can learn how to find in the library any information that you need. That knowledge can help you, in school and out, but only if you put it into practice.

"The full use of today is the best preparation for tomorrow."

The student who puts the guidance department to full use today is the best prepared for his or her tomorrow. The guidance department offers a listening ear, a helping hand, and a library of practical information for the college or career bound student. It is the responsibility of each and every student to take advantage of the guidance department. When the counselor and the student work together in harmony the student receives help and inspiration which may very well influence his or her life today and insure its success tomorrow.

"MY FAIR LADY TROUPE"

The "My Fair Lady" troupe was organized in 1960 under the direction of Russell Knudson. Mr. Knudson arranged the band's music and the choreography.

The troupe has performed several times: F.F.A. Banquet, teacher's reception, Rural Electrification Administration's annual meeting, assembly at Bismarck High School, Penfield talent show, and the Senior Class play.

They had the privilege of going to Chicago and seeing the musical production of "My Fair Lady."

There have been many rehearsals. Much work has been spent for the performances. Each one in the troupe has had a great deal of fun and everyone will always remember each rehearsal and each performance.
